JAYESH SINGH

Sales & Management Professional

Mumbai, India | jayeshsingh9b@gmail.com | linkedin.com/in/jsingh26

PROFILE SUMMARY

Sales and business operations professional with FMCG field-sales experience and entrepreneurial experience in import-export. Currently pursuing an MBA at Lovely Professional University, following a BTech in Computer Science Engineering. Experienced in retail distribution, territory coverage, supplier negotiation, go-to-market planning, and commercial operations, with a practical, analytical approach to market expansion.

PROFESSIONAL EXPERIENCE

Sales Representative | CavinKare (Third-Party Payroll) **Oct 2025 - Feb 2026**

Territory: Andheri to Bandra, Mumbai

- Managed field sales and retail distribution across the Andheri-Bandra corridor, covering general trade outlets, supermarkets, and local distributors.
- Supported primary and secondary sales through order booking, inventory replenishment, and regular territory coverage to maintain product availability.
- Prospected and onboarded retail accounts through route planning, helping expand product reach and shelf visibility.
- Tracked performance against sales targets and shared market feedback and competitor insights to support territory decisions.

Co-Founder & Business Head | Only Solar (Import & Export) **2024 - Early 2025**

- Co-founded an import-export venture focused on sourcing and distributing commercial solar, street, and flood lighting products.
- Developed the venture's sales strategy, pricing approach, and go-to-market plan.
- Managed international supplier sourcing, vendor negotiations, and import logistics to support product margins and supply reliability.
- Built customer and distributor relationships and oversaw daily operations, P&L, and commercial decisions.
